

Presented by:

30th National Aerospace FOD Prevention Conference

Conference Theme:

“FOD Prevention is Never Out of Reach”

Co-hosted by:

Ain't No Mountain High Enough!

August 11 – 13, 2009 Layton City, Utah

Tour Host:

Conference Description:

The annual conference objective is to make the industry aware of the need to prevent foreign object debris/damage from our aviation/aerospace vehicles, airports, runways, manufacturing shops, flightlines and all aspects of aerospace operations. The conference provides an effective forum for the exchange of ideas, solutions, expertise; and is a key resource for information, training, and support. Visit www.nafpi.com for more conference information.

Who should Attend:

Anyone who has an interest in flight safety. This conference attracts major industry representatives from: Airlines, Airports, Cargo Haulers, Aircraft Manufacturing & Repair, Military, Space, Support Industries, and many others from Aviation organizations.

Who should Exhibit:

Anyone who's products or services increase flight safety & FOD prevention. Examples: borescopes, cameras, lights, tools, tool kits/ tool control, FOD detection systems, aircraft protective devices, personal protective equipment, wildlife control, runway sweepers, vacuums, etc... Companies also exhibit to showcase their FOD prevention programs, products and services.

Conference Program:

NAFPI and this year's co-host ATK and tour host Hill AFB invite everyone to come to Utah and take part in the 30th National Aerospace FOD Prevention Conference to see the latest FOD prevention techniques, equipment, and technological advancements used in the industry to prevent FOD, promote awareness, and combat a common enemy. Experience three days of facilitated discussion tracks, keynote presentations, learning sessions (workshops), benchmarking tours, and exhibits. Network and share proven methods and best shop practices of preventing FOD throughout the aviation/aerospace industry. FOD can come in many different forms, and produce disastrous effects if not identified and corrected.

Registration Fees:

To help make the conference more affordable during these difficult times, NAFPI has lowered this year's registration fees!

All Participants = \$263.00 per person
Exhibit Fee = \$788.00 (Per Booth)

For Registration information contact: Nellie Verduzco at (310) 331- 6044, FAX (310) 332-8158 email: rb.bell@ngc.com
