Benchmarking Tour Hosts:

Lambert-St. Louis International Airport®

ESSEX CRYOGENICS / MISSOURI, INC.

ESSEX MANUFACTURING

St. Louis Missouri

August 17-19, 2010

"Gateway to FOD Prevention"

Conference Description:

The annual conference objective is to make the industry aware of the need to prevent foreign object debris/damage from our aviation/aerospace vehicles, airports, runways, manufacturing shops, flightlines and all aspects of aerospace operations. The conference provides an effective forum for the exchange of ideas, solutions, expertise; and is a key resource for information, training, and support. Visit www.nafpi.com for more conference information.

Who should Attend:

Anyone who has an interest in flight safety. This conference attracts major industry representatives from: Airlines, Airports, Cargo Haulers, Aircraft Manufacturing & Repair, Military, Space, Support Industries, and many others from Aviation organizations.

Who should Exhibit:

Anyone who's products or services increase flight safety & FOD prevention. Examples: borescopes, cameras, lights, tools, tool kits/ tool control, FOD detection systems, aircraft protective devices, personal protective equipment, wildlife control, runway sweepers, vacuums, etc... Companies also exhibit to showcase their FOD prevention programs, products and services.

Conference Program:

NAFPI and this year's co-host Snap-on Tools and tour host's invite everyone to come to St. Louis and take part in the 31st National Aerospace FOD Prevention Conference to see the latest FOD prevention techniques, equipment, and technological advancements used in the industry to prevent FOD, promote awareness, and combat a common enemy. Experience three days of facilitated discussion tracks, keynote presentations, learning sessions (workshops), benchmarking tours, and exhibits. Network and share proven methods and best shop practices of preventing FOD throughout the aviation/aerospace industry. FOD can come in many different forms, and produce disastrous effects if not identified and corrected.

Registration Fees:

To help make the conference more affordable during these difficult times, NAFPI has not raised this year's registration fees!

Low Cost!

All Participants = \$263.00 per person
Exhibit Fee = \$788.00 (Per Booth)
