

***Highlights from:
Inaugural Self-Inspection
Summit
Day 2***

Summit Deliverables – “Information Kit”

- ✓ **Link to Website with PowerPoint Presentations**
- ✓ **Networking Opportunities – Resource Kit**
- ✓ **Consolidated Data from Workshops in Excel**
 - ✓ **Barriers**
 - ✓ **Strategies, with Rationale**
- ✓ **Summit Feedback Survey**
 - ✓ **2nd Annual SIS Summit – 2004**
 - ✓ **To Be Completed and Returned**

WORK SHOP DE-BRIEF

**Robin Schilling / Mark Mazzuca,
Northrop Grumman**

NORTHROP GRUMMAN

Integrated Systems

Objective

- **Provide Summary Level De-Brief of Tuesday's Workshop Outputs for SIS "Information Kit"**

WHAT YOU TOLD US!

Process Reviewed

- **Develop Consensus:**

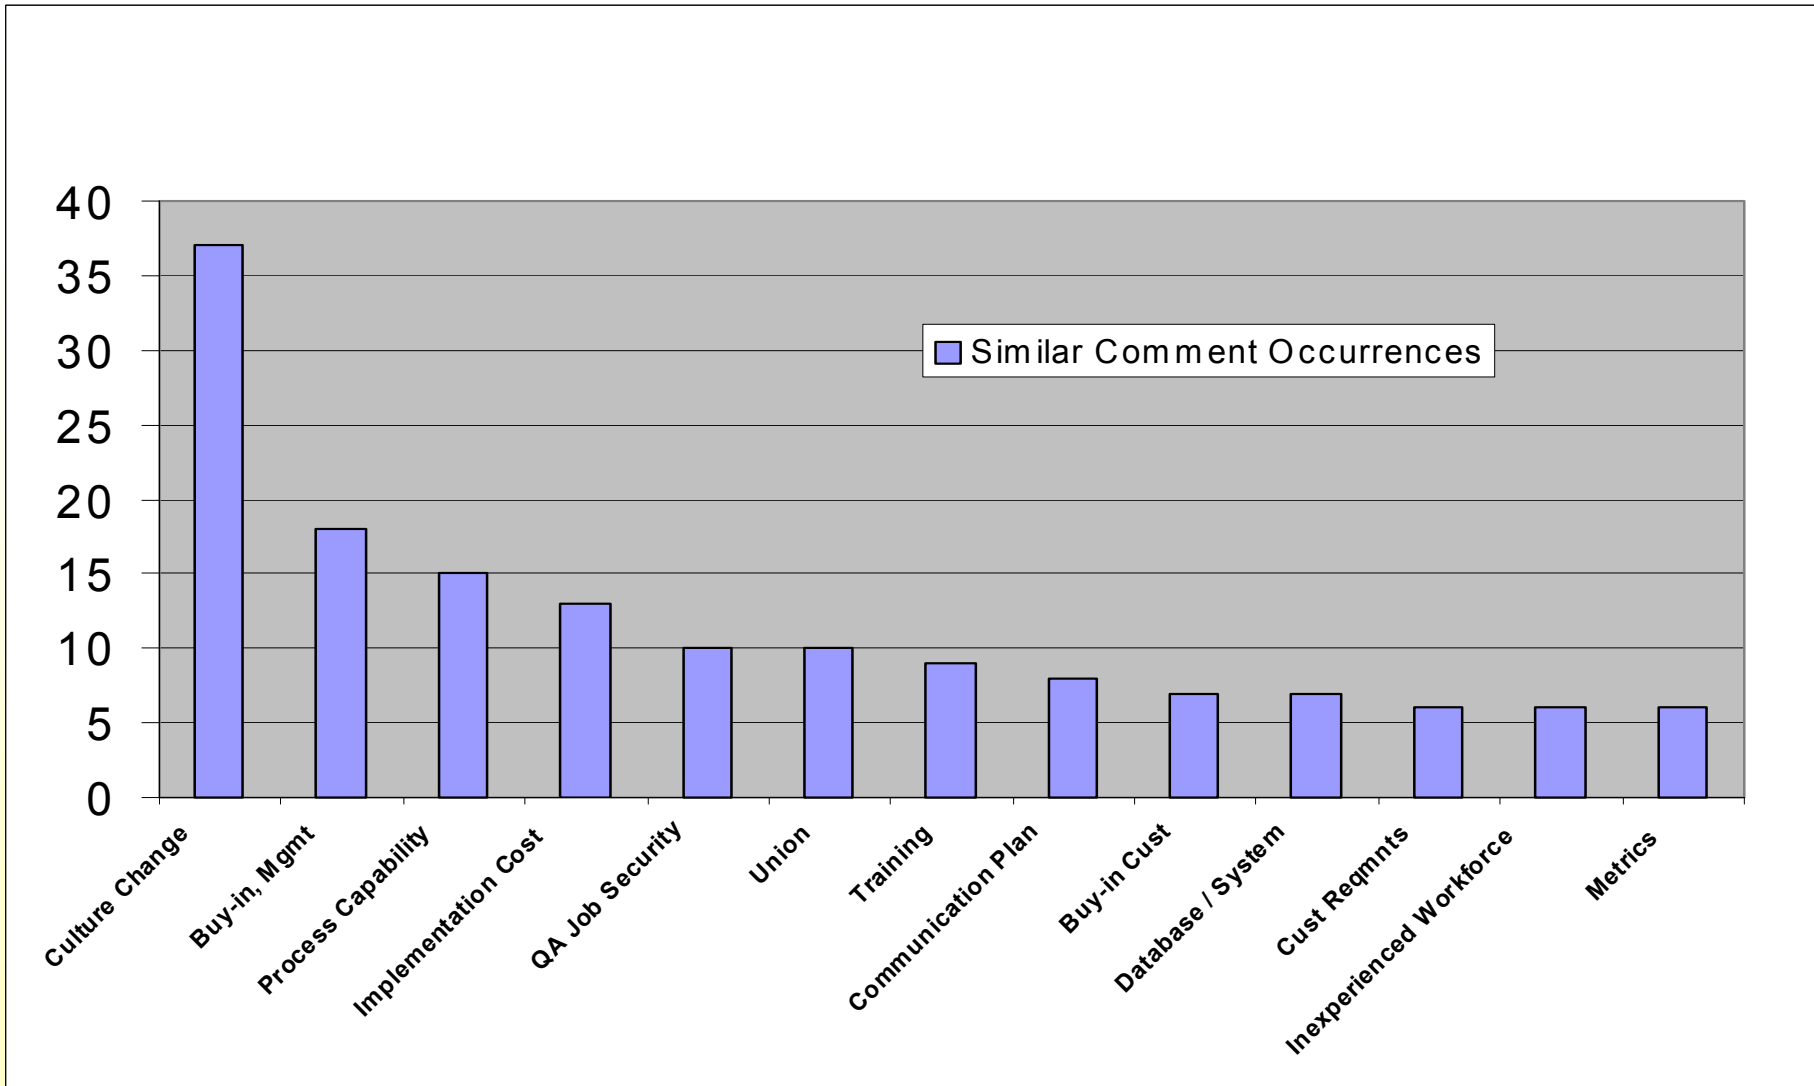

- Workshop #1**

- **Barriers to the Implementation of Self-Inspection**
 - **Prioritized List of Resolutions to the Selected Barriers**

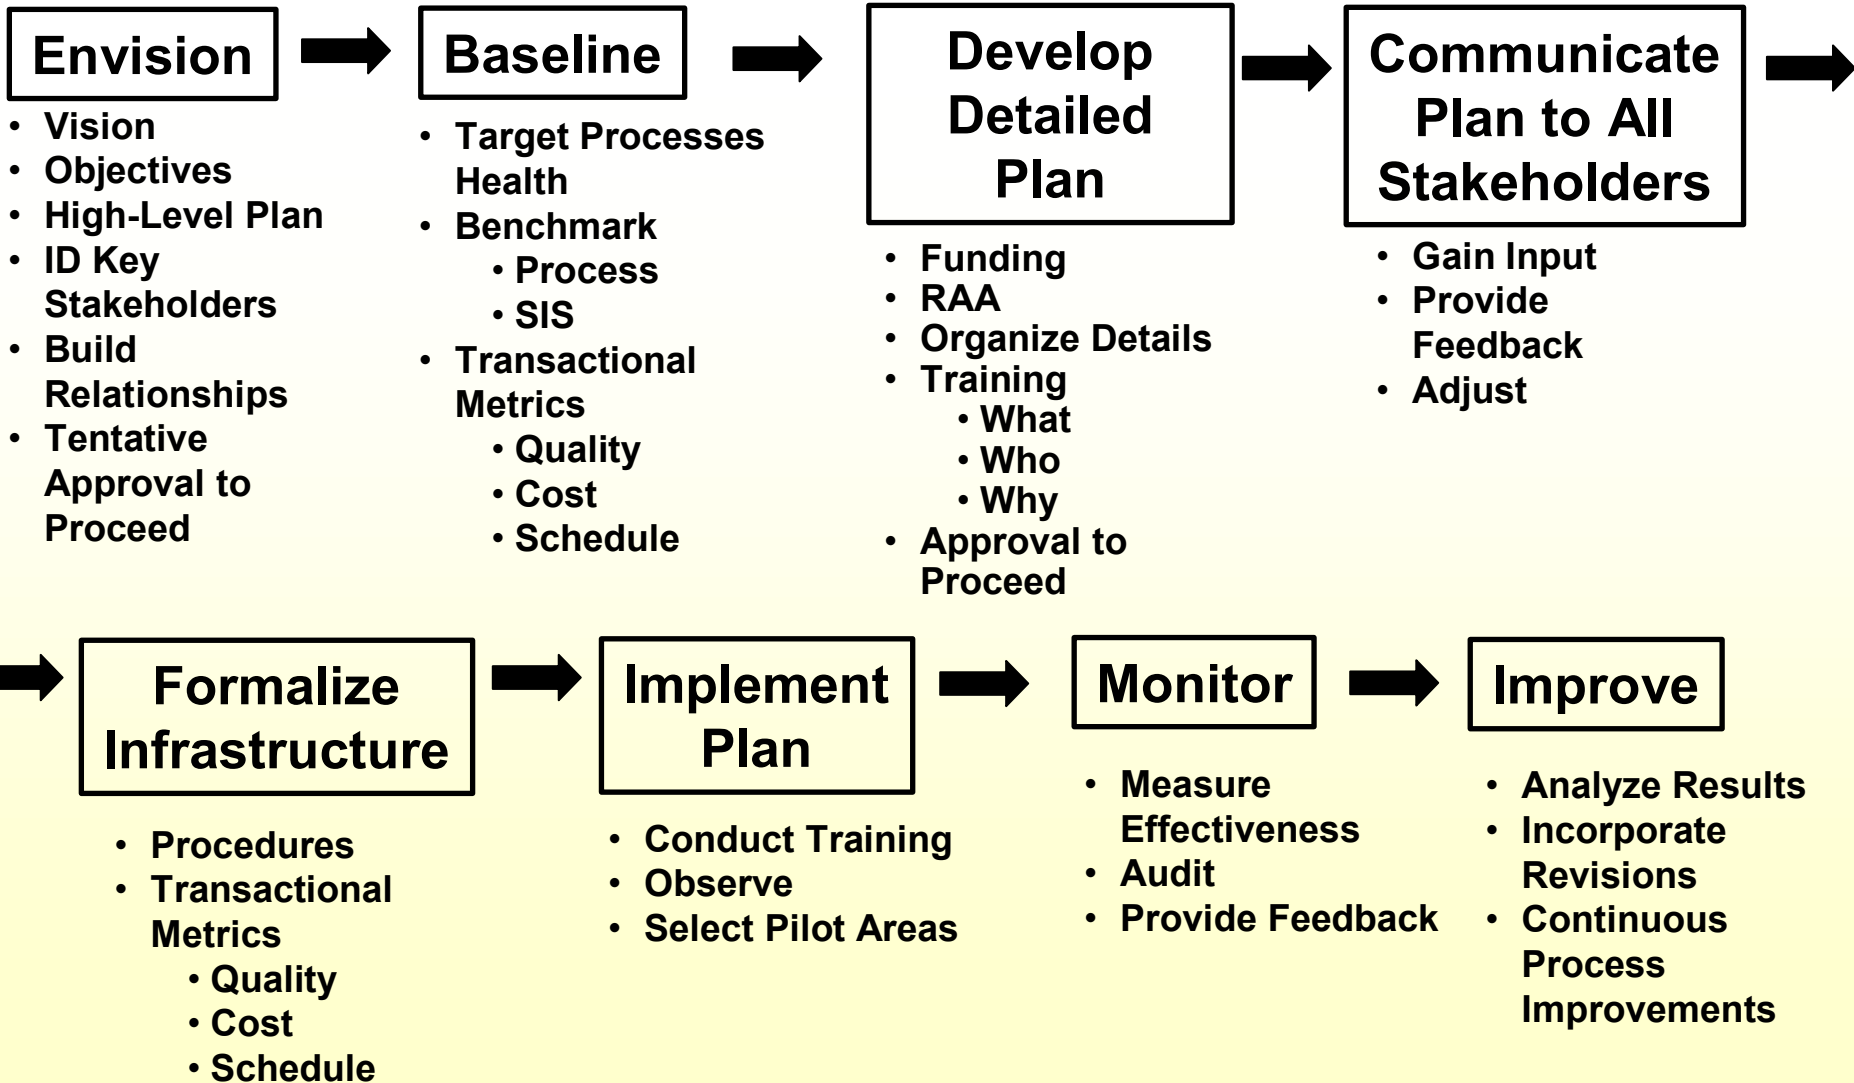

- Workshop #2**

- **Strategies for Implementing and Sustaining Self-Inspection**
 - **Develop 5-7 Step List of Precedent Steps—with Rationale**
